**Society of American Military Engineers (SAME) Piscataqua Post Criteria for Evaluating Funding Requests:**

The Posts Board of Directors will review described funding needs and based on the available funding each fiscal year, will fund those proposals that provide the best value and greatest range of impact in support of developing student's knowledge skills and abilities associated with the engineering and physical sciences.

Proposal descriptions should include:

1. What is the sense of urgency for funds requested?
2. Approximately how many students would benefit from this proposal?
3. What specifically are funds being used for\_?
4. Are students who benefit from this funding willing to brief SAME on their experience at a future monthly meeting?
5. What recognition will SAME attain from supporting this funds request?

Note: Typically funding requests should be limited to \$1000. If you have a need for more than that amount then please submit additional funding requests on separate Grant Application Forms
