Please describe what funds will be used for, and attach resume:

Amount of funding requested _____

Society of American Military Engineers (SAME) Piscataqua Post Criteria for Evaluating Funding Requests:

The Posts Board of Directors will review proposed scholarship requests and based on the available funding each fiscal year, will fund those proposals that provide the best value and greatest range of impact in support of developing student's knowledge skills and abilities associated with the engineering and physical sciences.

Proposal descriptions should include:

1. Student Resume
2. Past work experience
3. Potential Hardship that supports funding request
4. Willingness to attend SAME meeting to publically receive the scholarship

Note: Typically funding requests should be limited to \$1500.
